Subject : Demand for an extension of the reply period to your report related to the application n° 10/800,083

Madam,

I apologize to contact you so late, related to your report you sent in last October related to the application n° 10/800,083.

In October 2006, my attorney who was in charge of representing me for this application decided to stop our cooperation despite I paid all the invoices. I was ill some weeks at the end of 2006 and my research for a new patent attorney had to be postponed.

I would like to continue this application and would like you accept an extension of the period of time to answer to your last report. Is it possible ?

Thank you in advance for your answer and your comprehension.
Feel free to contact me at any time.

Best regards,
